

YOUR BEST ANALOG SYSTEM ACCESSORY

KirmussAudio KA-RC-1 RECORD GROOVE RESTORATION SYSTEM

**Using ultrasonics and record ionization, RESTORES,
not just surface cleans and shines!**

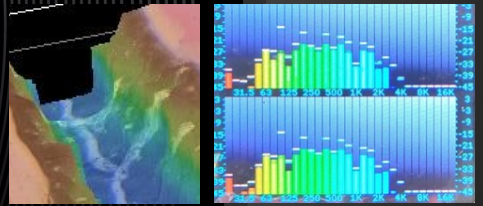

Witness after processing an increase of 1.3 to 8 dB signal over floor, 8 to 38% increase in frequency response. With films from prior cleaning processes and the record's release agent removed, HEAR and FEEL the music as pressed!

RESULTS GUARANTEED!

Groove and Signal Before

Groove and Signal After

Bring us a record from home or purchase one at the record fair to restore. Live A-B before and after restoration testing.

Our Seminars

- Friday Noon:**
Record cleaning myths revealed
- Saturday 2PM:**
Why do Kirmuss records fetch more money in the used marketplace?
- Sunday 2PM:**
Why buy used records over some new releases

**Also in Booth 7:
Meet renown charismatic pianist, singer, songwriter from Montreal, Quebec, Canada**

ANNE BISSON.

'BE MY LOVER' is her 7th album in 13 years! Moondance, Blue Bayou, Bridge over Troubled Waters... Beautiful voice, bold arrangements, and a taste of the '70 's thrown in the mix!

**Kirmuss KA-RC-1 Show Special:
Reg. \$1,380. \$994 with \$118 free accessories added.**
